INSIGHTS

Pricing and Commercials

Per Seat pricing	
Number of Users (Assessee)	Per User Per Month Price
Less than 100	₹ 100.00
Between 101 and 500	₹ 80.00
Greater than 501	₹ 50.00

Pricing and Commercials

Pilot Kickstarter Plan

Pricing: ₹ 5,000 per month

60 users (Assessee and Assessor).

Does not include
Grade book generation
and AI Insights.

Kickstarter plan is only
for 2 months and
cannot be extended

Terms and Conditions

₹ 10000/Annum as Data maintenance cost from 2nd year onwards. This cost is to maintain the previous year's data and to be used by the Institution for Academic Analytics

Additional cost will apply for Integration with external systems

The pricing is based on the number of users (Assessee) that were active in a given month. If the user were active only for 5 days in a month, then it would still be considered a full unit pricing for that month.

Grade book and AI analytics is only available on Enterprise Billing Plan
